Lesson 3

all, al (call, almost)

Materials

Advanced Picture Code Cards: **all** (13), **al** (14).

Picture Code Cards.

Advanced Copymaster: (2).

Advanced Songs CD: Giant All Song

Preparations

Write the song on a large flipchart.

Prepare display space for 2

Giant All murals. (See page 33)

Look, say, cover, write, check

Make copies from page 120.

Objectives

- To know that the letters **a**, **l** and **l** combine to make the 'all' sound (**all** as in **call**).
- To know that when **all** becomes a prefix it drops one **l**.
- To recognise and spell words containing **all** and **al**.

Demonstration: all

Show the card and tell the story:

● Giant All eats almost all the apples he can find.

Giant **All** is so **tall** that **all** you can see of him in words is his two long legs. In fact his legs alone are as long as the Lamp Lady is **tall**! How can you tell when he appears in a word?

The secret lies in knowing Giant All's one great weakness. He has a passion for **apples**! He is so fond of Letterland **apples** that he just strides into words and takes them without asking.

So if you see a word with an **apple** in it and then two straight lines right beside it, the chances are that you have spotted the two long legs of Giant All. When you do, don't expect the **apple** to be saying 'ä...', because Giant All will be eating that **apple**!

Activity ideas

Picture Code

- Write these sentences on the board and ask the children to help with picture coding **all**, or choose some words from the word list on page 33.

Nearly **all** the small apples that had fallen were bruised.
The tallest man of **all** is Giant All.
The ball fell from the tall wall.

Live Spelling

- Live spell or dictate:
ball → **hall** → **call** → **fall** → **wall** → **small**.

Display

- Help the children to create a Giant All display based on words which they picture code, cut out and stick around the Giant. Add some **small** apple trees to show how much **taller** than the trees he is. (A staircase wall works well.)

Fluency, role-play and singing

- Practise reading the Giant All song for fluency (see page 20), then sing it. A good song to accompany with miming.
- Use the *Advanced Copymaster* for further practice.

The **tallest** man of **all** is **Giant All**.

Lesson 3 cont.

all, al (call, almost)

Demonstration: al (as in almost)

Show the card and tell the story:

- Giant All leans on other words because he is lazy.

Giant All really is a lazy old giant. If he can find another word to lean on while he eats, he will. Being so tall he just reaches over, pulls up a word, and leans right back on it.

When Giant All is leaning on a word you will only see one of his legs because the second one is just behind the other. But don't let that fool you. It is still Giant All. Most of all, Giant All likes to lean on the words **most**, **so** and **ways**. His next favourite words are **ready** and **though**.

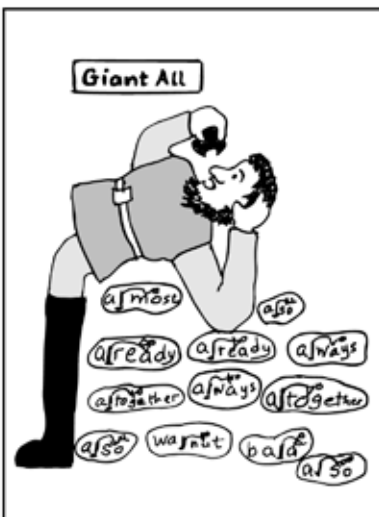

Activity ideas

Display

- Help the children to create a Lazy Giant display featuring Giant All leaning on words. Later you could add on Giant Full as well, as suggested on page 71.

Picture Code

- Write a selection of examples from the **all** word list on the board. The children choose the six **all** words which they consider most useful to them and picture code them.

Words containing al

almost*	also*	altogether	walnut
already*	although*	always*	

* High frequency words

He has already eaten almost all the apples.

Sample 1 - Walter Walrus and Harry Hat Man, picture only.
